

marantz®

CC4300 5-Disc CD Changer

The CC4300 incorporates premium Marantz parts and construction, to deliver uncompromising audio performance - rivaling more expensive single-disc players. Featuring high quality optics, audiophile-grade internal components and strengthened mechanical construction, the CC4300 offers the best of both worlds - pure high-end audio clarity and the convenience of multi-disc playback. If system integration is important, then the CC4300 is for you. It features a RS232C terminal as well as discrete commands for flawless operation.

- 1-Bit 8 Times Oversampling DACs
- Dedicated "Changer" Mechanism
- Random and Repeat Modes
- Exchange 4 Discs While a 5th Disc is Playing
- RS232C Terminal for System Control (1-Way)
- Optical and Coaxial Digital Output
- High Quality Headphone Jack
- D-BUS (RC-5 In/Out) Remote Connection
